

Hampton Falls Planning Board

Master Plan Committee

Draft Workshop Minutes – July 13, 2015

Present: Charlyn Brown, Chairman; Larry Smith and Glenn Greenwood, RPC Consultant. Lisa Brown Kucharski had an appointment she had to keep and Todd Santora was also absent.

The workshop ran from 8:10 A.M. until 10:30 A.M.

Charlyn said she had been in touch with Stacy Kinnaly in regards to joining the Master Plan Committee. Stacy's summer schedule does not allow her to consider doing that until at least mid to late August. At that time she will take time to consider what it involves and the time constraints and then make her decision.

As there wasn't a quorum, the June 18 and June 25, 2015 workshop minutes were not acted upon.

Those present went through the Transportation Chapter page by page noting needed grammatical changes (all due to new program problems in transcribing prior material), updating some facts, omitting some items no longer relevant and requesting that information be obtained to update other noted areas of the chapter.

The next workshop is scheduled for July 20, 2015 at 8:00 A.M. The committee will work on the flyer that is to be mailed at the end of July. This flyer will include the definition of a Master Plan and its contents.
