**Agenda**

1. Route 10 report - (David, Barbara)
2. Deciding our priorities on sharrow placement. Which sections of which roads need them most?
3. Discussion of what might be done on Sand Hill to improve biking and the problem of the bike lane paint wearing off because of cars driving on it. (Doug)  
Also, discussion of the missing sidewalk. (Barbara)
4. Discussion of missing sidewalk on Currier (next to C&A Pizza). (Barbara)
5. Discussion of how the committee might address two of the five "Es": Education and Enforcement. (Charlie)
6. Park Street update. (Scot)
7. Field trip up Park Street to appreciate the work done, followed by a site inspection for the proposed sidewalk on North College. This can lead to a discussion of what should be done on North College. (Joanna)
