

Hanover Bicycle / Pedestrian Committee
Thursday, June 6, 2013

Agenda:

- 1) Approve minutes.
- 2) Presentation by Patrick Oneill on the Parking System Budget.
- 3) What to do about the July 4 meeting. Howe is closed. Reschedule? Cancel? Bike in the parade?

Also, what should we do about a new chair for the Bike/Ped committee? I will be out of the country for the meetings in August, September, October, and November. It may be time for the chairmanship of the committee to rotate to someone else.

- 4) Review of Bike Summit and things arising from it. It is possible that we will be visited by a Hovey Lane resident about their input pursuant to the bike/ped summit. (All those attending)
- 5) Painting signs on sidewalk ramps saying to walk bikes and carry skateboards. (Are skateboards a problem? Bikes certainly are!) (Michael)
- 6) Survey of Rt. 120 from Summer Street to the top of Sand Hill Road, and moving forward on bike/ped facilities on Rt. 120. (Doug)=
