

**CONSERVATION COMMISSION
8 December 2014 at 3:00 PM
40 SCHOOL STREET**

In attendance:

Members: Ed Chamberlain, Jim Kennedy

Staff: Vicki Smith

Others: Larry Litten

Larry Litten pointed out the Norway maples proposed for removal from the Town Mink Brook North lands. The trees were marked and are mostly small diameter stems.

The Commission members present felt they understood the extent of the invasive removal work and had no further questions so the site visit was adjourned.

ADJOURNMENT: The meeting adjourned at 3:15 PM.

Respectfully Submitted
