

**PLANNING BOARD  
SITE VISIT  
JULY 2, 2013 at 7:00 PM  
MEMORIAL FIELD**

In attendance:

**Members:** Kate Connolly, Judith Esmay (Chair), Iain Sim; Nancy Carter (Selectmen's Representative)

**Staff:** Vicki Smith

**Others:** Ellen Arnold, Bob Ceplikas, Richard Whitmore, Matt Purcell, Jeff Fullerton, John Schumacher

The Planning Board gathered at the north end of Memorial Field. Bob Ceplikas pointed out the differences in dimension between the existing scoreboard and the proposed scoreboard. The new scoreboard will reach 32 feet higher than the track surface. It is wider and reaches closer to the ground than the existing scoreboard.

The Board walked to the location of the proposed scoreboard at the south end of the field. The proposed scoreboard has been positioned so as not to obscure the view from the bleachers.

The Board noted the fence line along Lebanon Street where an Arbor vitae hedge is proposed.

**ADJOURN:** The site visit adjourned at 7:10 PM.

Respectfully submitted,
