Meeting

November minutes approved.

Phone call reviewed the status of Solarize Hanover Program and worked out details for committee follow-up with candidates. Sarah will merge the Vital Communities and Energy Emporium PeopleTracker spreadsheets and committee members should follow up with their assigned contacts with the information on the latter. (Detailed minutes for the call were prepared and distributed separately by Sarah Simonds)

Proposals for SHC attention during 2015: community power installations, a solarize initiative for businesses; Hanover master plan review and input (after Town Meeting).

Prepared by Larry Litten.
