

SHC Meeting 09.16.2015

David, Yolanda, MaryAnn, Susan, Peter, Chris, Jenna

Yard Sale Recap

Lack of Handicapped Parking was a concern expressed by people

Went very well, were able to keep early birds out of the space

Raised rate this year (no discount for 2 spaces)

96 spots for rent

2600 in gross revenue

- \$270 Toilets (3)
- \$20 Valley News
- other expenses
- Transaction Ads
- Police (probably can reduce the hours needed in the future)

Recycling

Plant pot recycling is still going in Sept (last one this Sat 9-12)

Recycling vendor - new vendor arranged

Dartmouth Sustainability Office

Master Plan - still not getting started, Planning Board is still trying to finish neighborhood meetings

Public Works

Solar Panels coming at the Police Department

Panels at Water Treatment on hold due to Liberty reaching it's cap on net metering

Net Metering Cap Update

unknown if Liberty can raise their cap voluntarily

Liberty would like to keep sizes below 100KW

State Senator Jeb Bradley is a current advocate

Discussions of doubling the cap???

Bike/Ped on Lyme Road is almost complete

Valley Rd is still a test case not yet being rolled out on other streets

Green Power

Most people in the program should be getting billing as GreenPower

365 participants (not sure how many are technically in Hanover)

Need to keep track of the RECs to make sure that they are GreenE, RECs may not be purchased until the end of the term

Need to submit info to EPA for Green Power Community

Button Up Workshop

Oct 22 at Black Center 7-9 pm

Andy Duncan (Consultant associated with Lakes Region Community College)

Robin Adams (Plymouth NH)

Next Meeting October 21 8:30am Town Hall
