

Joint meeting of the Board of Selectmen and the Planning Board
Saturday, April 6, 2013

BoS Present: Lucy Wallace (Chair), Ron Ricci, Tim Clark, Bill Johnson, Marie Sobalvarro (Clerk)

Planning Board Present: Peter Brooks (Chair), Timothy Schmoyer, Joe Hutchinson, Richard Marcello.

Town Counsel Mark Lanza present.

Meeting called to order at 8:05 a.m. by Peter Brooks.

A group discussion surrounding Article 42, 'Citizen Petition: Zoning Bylaw Amendment' ensued. Questions were raised by Tim Clark regarding whether the Planning Board's report for Town Meeting had changed from its earlier report. It had not.

Bill Johnson suggested that the language in the motion be changed to restrict the relief in the language to Town Hall only. Planning Board members responded that this altered/restricted language was not presented at the Board's earlier public hearing.

A question was raised regarding whether accessory structures were within the scope of Article 41. Mark Lanza clarified that they were within the scope of Article 42, as presented in the warrant booklet.

The Planning Board stated they would be making the motion for the Citizens' Petition.

John Hutchinson moved that the Planning Board move and read the amended (restricted-to-Town Hall) language. The motion passed the Planning Board on a 3-1 vote.

The joint meeting was adjourned by the Board of Selectmen at 8:44 a.m.

Respectfully submitted,
Marie Sobalvarro
Clerk
