Meeting Date 7-11-2011

Commissioners: Present Dolimount, and Sprague

Guests: Peter Warren Selectman Liaison to Cemetery; Margery Watt

Old Business: Paid monthly bills-Electric, phone Etc.
Sold lot S-151 and 152 to Margery Watt

New Business:

1. Reviewed the 6-20 meeting requested by the Historical Commission in Shaker Cemetery-it was agreed that we may be at an impasse since the Historical Commission seem to want things their way or not at all.
2. It has been pointed out that the 100-150 year old pines are a threat to the Shaker Cemetery by the Historical Commission and they want them removed. The issue will be explored when Commissioner Spero returns. Costs and funding are areas of concern-since it would take a crane and a climber to remove trees. Possibly CPC funds could be obtained.
3. Voted 2-0 to continue powder coating project. With repairs to Markers.

Meeting adjourned @ 4:30
