Next meeting – Aug. 18, 2010

Dear Shirley, Groton, Westford, Littleton, and Harvard finance community,

The Ayer finance committee recognizes that this past year has represented major financial challenges. Budgets are tight and the possibility of further cuts to state funding may mean future budgets are going to be even harder to balance. On August 11 at 7pm in Ayer Town Hall the Ayer finance committee cordially invites you to join us for an opening conversation about sharing best practices, sharing resources, cutting costs, implementing successful ideas, and avoiding pitfalls. The intent is to have a discussion so we can collectively prepare for the worst, save money where we can, and help the financial stability of our community. I'll send an agenda out shortly based on feedback I receive. I look forward to meeting you and working with you in the future. Please find more details on the event as an attachment.

I hope you can join us,

Jesse Reich
Vice Chair
Ayer Finance Committee
