Members absent: Doug Coots

Meeting called to order at 7:05 pm

Special meeting to discuss the Shaker Burial Ground Markers

- General concern that some markers were removed, sandblasted and powdercoated by the Harvard Cemetary Comission without any discussion with the HHC.
- Does the HHC have any jurisdiction this matter. If so what is the best way to make sure of HHC involvement
- If there is a question concerning HHC jurisdiction where does the commission go to resolve issue. The BOS, hire attorney, Meet with HCC ?
- What does the HHC want to communicate to the BOS at their next meeting

It was decided that the before the HHC would go before the BOS , the Historical Commission will try and communicate with the HCC in order to try and resolve differences concerning grave markers. Rhonda Sprague and Ken Swanton agreed to act in this capacity and set up meeting with the HCC.

It is the hope of the HHC that this will lead to a meeting of all members of both boards.

Meeting was adjourned at 8:39 pm

Respectfully submitted,
Chris Cutler
