

Park and Rec Commission
Special Meeting
July 26, 2013 5:30pm

Commission Members: John Lee, Joe Schmidt, BJ Pessia, Pat Nelson, Anne McWaters

Beach Director: Ali Luck

Guests: Julie Nocka, Jack Landry

Pat recapped where we are: For the safety of everyone on the pond, Bob O'Shea would like to look at either restricting time or space for the Learn to Row program.

Joe stated that BHRA has programs advertised that run after 10am. Julie Nocka stated that Holly Hatton has moved the rowers and they are not running after 11. If Parks and Rec agrees to allowing rowing after 4pm, BHRA needs to stay in the marked areas.

Joe proposes that we approve the learn-to-row program that BHR has advertised and allow them on the pond in the area marked off by buoys. Bj seconded and amended that we only allow singles on after 4pm. John called the amendment for vote. One yea, 3 nays, one abstained. Joe called the proposal for vote: All in favor.

Meeting adjourned: 6:04 pm
