

Harvard Sewer Commission  
May 16, 2012

8:00 AM

Commissioners: Cindy Russo, Kyle Hedrick, Rick Maiore

Others: Wayne Perry, Norfolk-Ram; John Potts, W&S

Motion made and passed to approve minutes of 4/25/2012 as amended.

General discussion of grinder pump specifications. John Potts will provided an updated spec from existing documentation, in his opinion no additional technical information will be needed.

The grinder pump specifications can be included as a simple procurement process even though the town itself does not purchase the pumps directly.

Discussed a public information meeting in June.

Two major requirements for the meeting are:

A current property matrix of the sewer district

Final draft of the R & Rs

Meeting adjourned at 8:43 AM
