

Minutes of the Agricultural Advisory Commission
Feb. 29,2012
7:30 p.m.

Members present: Pam Browning, Candy Frazer, Wendell Willard,

1. The minutes of 10/27/11 and 1/26/2012 were approved.
2. Wendell Willard reported that FinCom has proposed \$500.00 for Ag Com for fiscal 2013. There was discussion of how to spend funds remaining from fiscal 2011-2012, but final decisions were postponed until the March meeting in hopes of more members being present.
3. Candy Frazer received a complaint of horses damaging the trail behind the McCurdy track and field facility. There was a discussion of trail policy, and a decision to make sure the Harvard Press prints the trail use rules and regs as it has done in previous "mud" seasons.

The meeting adjourned at 8:07 p.m.
