Re: Proposed Decks
457 Warburton Washington Avenue

To the Members of the Zoning Board of Appeals:
As the Architect representing 457 Warburton LLC, for the development of the property located at 457 Warburton Avenue, I am submitting the following drawings, describing new decks to be built at an existing three-family residence.

S-1 Site Plan
A-1 Floor Plans, North, West and South Elevations
A-2 Section through the Site

Survey

I am requesting that the Zoning Board of Appeals grant the following variances from the Hastings Zoning Code:

1. Variance from Section 295-72 1E (1b) – Rear Yard Setback

We are requesting a variance for a rear yard 22.25 ft. setback which is less than the 30 ft. required.

2. Variance from Section 295-72 1E (1c) – Side Yard Setback

We are requesting a variance for an existing side yard setback of 1.5 ft., which is less than the 12.75 ft. required. The non-conformity of 1.5 ft. will be continued at the new decks

3. Variance from Section 295-72 1E. (3) - Lot Coverage for MR-0 Zone

We are requesting a variance for a 55% lot coverage, which is above the max. 50% allowed

I appreciate your understanding of our request for these variances, and look forward to presenting the drawings at the October 15, 2015 Zoning Board of Appeals meeting. Thank you for your time and effort for review of our proposal.

Sincerely,

Christina Griffin AIA LEED AP CPH
