I. Development Reviews

i. Nancy Smith – NHDES Wetlands Permit (PBN) to install a seasonal dock at 111 Merrimack Street

Applicant is here to get Conservation Commission's approval in order to get a 10 day review from NHDES, instead of a 25 day review without their approval. Applicant is installing a dock called AccuDock, which is a low profile dock. Dock will be at the southern end of the property, which Applicant has a right of way to install the dock. Conservation Commission has a 66 foot easement on her property. Applicant was inquiring about when the bridge will be done. End of August beginning of September, because she is going to contact Morell (if available) to place in the granite footing for the dock, which will be very beneficial for both parties involved.

Steve motioned to approve the application for 10-day processing and will be able to sign an original and 4 copies. Seconded by Cindy. Unanimous approval.

Dave to adjourn meeting, seconded by Cindy

Meeting adjourned at 6:12 p.m.
