

HERITAGE COMMISSION (HC)
TOWN OF HOOKSETT

MINUTES OF MEETING
October 5, 2015

Members present: Kathie Northrup, Jim Sullivan.

Meeting was posted for 11:45 a.m. at the Municipal Building to consider a demolition permit application. No one from the public appeared. At a later telephone meeting the application was discussed.

NEW BUSINESS:

Demolition Review

Before the demolition review committee was a demo permit application for the house and outbuildings (2 utility sheds—metal, wood, 1 screened-in outbuilding, 1 unoccupied mobile home) at 129 Farmer Road, received on 9/29/15. Kathie visited the property and took photos for our file. They were sent to Jim on 9/29/15.

Kathie contacted two long-time residents of the neighborhood to see if they knew of any significance; neither did.

After discussion, members unanimously made a finding of “not significant” and agreed that demolition could proceed. Kathie will send signed permit form to Code Enforcement.

Kathleen Northrup, Chair
