Parks and Recreation Advisory Board Minutes

June 18, 2013

7:00PM

Location changed to Hooksett Public Library, due to closure of Hooksett Municipal Building.

Attendance: Dustin Raiche, David Elliott, Mike Young, Jacqui McCartin (Chair); Excused: Mike Horne, Tom Prasol.

J. McCartin called the meeting to order at 7:12PM.

There remains no update on the 5-Year Recreation Plan; however an update to the plan was discussed. If there is a desire by the P&R Board along with the Recreation Department to have a joint work session to put together a 5-Year Plan sometime, M. Horne expressed his interest in joining in on any work towards a new plan.

M. Young has become the selected member of the board to join the Hooksett Conservation Commission to help discuss the RFPs to manage the properties on Clay Pond.

M. Horne (via email) reports that in the not too far off future the rest of Head's Pond trail will be given to the Town and the Town Pond as well. He is under the belief that Kiwanis is planning to apply for a grant to improve that new section, i.e. fill, drainage, and stone dust.

Future items that M. Horne wishes to see efforts continued on include the park at the pond by Walgreens, and the Hooksett portion of the State Rail Trail-as it is being developed both north and south of us.

Open Board Positions/Roles of Members:

T. Prasol (Current term: 6/2015) was appointed for the position of Chair.

J. McCartin motions for adjournment to the meeting, seconded by D. Raiche. Approved by all.
