

Notes from August 18, 2011 Pinnacle Planning Committee meeting  
Hooksett Library, 6:45PM

Attendees: Mike Horne, Alden Beauchemin, Kathie Northrup

Reviewed and accepted minutes of 7/29/2011 meeting

1. Alden reported that he investigated using the Town property at 29 Pine St (map 7, block 5) for access to the park from Pine St. The road off Pine St. has poor sight distance to traffic on Pine St, would seem to significantly impact abutters if road was improved, etc.
2. Discussed getting a potential new access road into new gravel parking lot off Pinnacle St. a couple of hundred feet west of Birch Hill Rd. Mike volunteered to ask the new director of Public Works to flag a suggested road location so committee members could check and comment at next meeting.
3. Nothing yet on Rules or Regulations for the Park (open).
4. Mike reported that he is scheduled to meet with Leo Lessard, director of Public Work on August 19<sup>th</sup> to discuss the proposed signs adjacent to Ardon Dr.
5. General discussion of relocating a section of stone wall along Pinnacle Rd. (if new access road built), getting a large rock for near the parking lot to install a plaque to memorialize the Lockes as required by the purchase, options for shielding abutters from people using the park, etc.
6. A next meeting was not scheduled. Mike said he will schedule one in September or October.
