Recycling and Transfer Advisory Committee**

Minutes of Meeting

May 26, 2009

Members Present: George Longfellow; Council Rep., Roger Duhaime; Committee Chair, Martin Cannata, Richard Bairam, Robert Schroeder

Absent: Merrill Johnson, Randy Holt

The meeting was called to order at 6:30.

The Committee reviewed the minutes of the meeting held on April 28th. On the section regarding the single stream proposal from the Concord Co-Op George wanted it changed from not in favor to skeptical about single stream. Turk motioned to accept the minutes as amended. Second by George, all in favor.

There was another major discussion on the single stream proposal. George and Paul Loiselle went to the single stream facility in Auburn Mass for a tour. George wants hard figures on the recycling and Diane explained that they are commodities and set pricing will not happen. We should be receiving more information from the Co-Op soon.

The meeting adjourned at 8:30.
