

Recycling and Transfer Advisory Committee

Minutes of Meeting

August 25, 2009

Members Present: Bob Schroeder, Martin Cannata, Richard Bairam (Turk)
Roger Duhaime; Chairperson

Absent: George Longfellow, Merrill Johnson

Randy Holt called and resigned. He was told to send letter to Council Secretary.

Turk motioned to accept the minutes as presented. Bob second, all in favor.

The Committee reviewed the monthly report. Diane explained how short the department has been and the great job the employees are doing filling in the gaps. The department is a little behind on landfill maintenance but hopefully we can work on it soon.

There was a discussion on the single stream proposal. Diane passed out information on the facility. The Co-op is still looking to commit to more tonnage. The more tonnage they have committed the cheaper the rates will be for Hooksett. They have recently signed Franklin who will be starting an automated program as well. Diane is confident that the facility will be built and that they are being cautious for the benefit of all of us. Diane will be going to the Council on September 9th to update them on the Co-Op.

The Committee discussed the automated collection program.
