

Recycling and Transfer Advisory Committee  
Minutes of Meeting  
July 28, 2015

Members Present: Jim Levesque, Ray Bonney, Jim Gorton, Bob Schroeder

Absent: Richard Bairam, Sean McDonald

The meeting was called at 6:45. Jim motioned to accept the minutes as present. Second by Bob. All in favor.

The Committee discussed the recycling. Recycling is always slower in the summer because of people on vacation. Diane feels that the recycling will pick up in the fall.

The collection trucks are working well and the addition of the smaller truck has been a huge help for double collection days and when the other trucks are down for repairs.

The Committee adjourned at 7:40.
