

Recycling and Transfer Advisory Committee  
Minutes of Meeting  
March 23, 2016

Members Present: Richard Bairam (Turk), Bob Schroeder, Ray Bonney, Jim Gorton, Sean McDonald

Excused Absence: Jim Levesque

The meeting began at 6:40. Turk motioned to accept the minutes from the meeting on February 23, 2016 as presented. Motion was second by Jim Gorton. All in favor.

The Committee went over the monthly spreadsheet. Recycling and trash have remained consistent. The cost of recycling has gone down a little from \$47 to \$42.50. We are all hopeful that the trend will continue.

There was a discussion about Earth Day. We do not have a lot going on for this Earth Day. The Recycling and Transfer Department will have a few raffles and will sponsor the paper shredding truck from Northeast Record Retention.

There was also a discussion about the employee situation. We are still short a driver at transfer. The new drivers running the automated trucks are doing a good job.

Not a lot going on, it is a slower time of year for the transfer.

Jim Gorton informed Diane about an illegal dump near the interstate. Diane will try to find it and notify the state.

Turk motioned to adjourn at 7:20, second by Jim. All in favor.
