READ CORRESPONDENCE

FINANCIAL REPORT –There was no financial report.

SUPERTEENDENT KUDRICK’S REPORT

HEATING UNIT FOR HEADWORKS – The current heating unit has fallen apart, and the price for a new one is \$3,318.00 installed. Because it is explosion proof, the amount is higher than expected. As it is not part of the upgrades, Supt. Kudrick needed approval from the Board to order it. The Board approved the expenditure.

FLOWS – May was an extremely dry month due to no rain and the college letting out for the summer. So far June is the highest month, surpassing even April.

ROBIE’S STORE – Supt. Kudrick asked the Commissioners to meet with Robert Schroeder and Robies Country Store to talk about the grease problem. Supt. Kudrick will see if 2PM on Friday the 19th would work for them and get back to the Commissioners.

SRF PAPERWORK – The application is almost finished and should be completed for Chairman Baines signature when he returns.
