PUBLIC INPUT/ VOTER REGISTRATIONS & CHANGES

Discussion on how to remove voters from the CheckList based on verbal or written reports from relatives. This was triggered by an email from voter # 119003895 about her daughter and father-in-law having moved from a Hooksett domicile. It was decided to use this email as justification for removal of said voters from the Checklist.

Unanimous consent given to the following Checklist changes:

- 8 voters removed due to moving from Hooksett
- Approval of 6 new residents or voter changes
- One voter placed in pending status awaiting verification of naturalization
- One voter removed from pending on the basis of a verified obituary removal status
- 0 voters removed due to death notices as of 3/20/12

OLD BUSINESS

Bob Ehlers' information on the purchase of a laptop for a total of \$617 (included Toshiba 15.6 laptop, MS Office Pro 2010, and case) was discussed. Mike is to approach the Town Administrator for permission to purchase 2 laptops at this price, and reserve the purchase of the third for next year.

Petitions from potential candidates and parties for the November General Election have all been researched. Each verified petition will be counter signed and returned.

ADJOURNMENT
