Hooksett Town Municipal Building

Meeting posted

ATTENDANCE

Mike Horne, Chairman, and Sally Humphries. Bob Ehlers excused due to illness. Town Counselor Nancy Comai attending.

APPROVAL OF MINUTES

Unanimous approval of Minutes of February 6.

OLD BUSINESS

Reconsideration of redistricting (that had been approved at the February 6, 2013 meeting). Mike Horne said because the difference between the high and low population per district was off by 30%, instead of the 10% recommended in the original districting requirement of the Town Charter, that a small adjustment should be made. He recommended moving the census block defined by “west side of North River Road to the river” from District 6 to District 4.

This is the final adjustment. Redistricting is now final, effective this day, February 27, 2013, and once the Southern NH Planning Commission updates the Town Voting District map, will be communicated to the Town Administrator and the Town Council Chairman.
