APPROVAL OF MINUTES

Minutes of March 1, 2014-Previously approved 3/11/2014

OLD BUSINESS:

1. Question submitted concerning QVA incomplete information processed into Election Net for naturalized citizens. Per DOJ Stephen G LaBonte "Under the statute the supervisors of the checklist must add name to the checklist, unless it is established that it is more likely than not that the applicant is not qualified to vote in that voting district under RSA 654:1 through 654:6. This means that the supervisors must make a finding that the applicant is not qualified based on the weight of the evidence rather than a finding that they are qualified." Checking the QVA box allows for voters with incomplete naturalization information to be added to the checklist.
2. Registrations received at Town Hall have shown improvement. Legibility of voter information remains a problem. Todd informed. Supervisors continue to work with the School Election- 1841 voted. 60 new Election Day voters registered the number was adjusted from 57 due to 3 pending voters on 3/25/14 were actually Election Day voters. Problems with CVA were noted during QA review. Chair to contact School Clerk/Moderator.
