

**PERAMBULATION SUB-COMMITTEE MEETING**  
**Wednesday, April 30, 2004**

**PRESENT:** M. DiBitetto; P. Fitanides; G. Longfellow; E. Dionne, Acting Town Administrator; Denise Pichette-Volk, Perambulation Sub-Committee; Harold Murray, 15 Legends Drive; Tom Duval; Cindy Pfaff, 329 Hackett Hill Road; Sharron Champagne, 337 Hackett Hill Road; Don Duval, Duval Survey, Inc.; and Matthew Call, Union Leader

**CALL TO ORDER:** M. DiBitetto called the meeting to order at 10:10 am.

**PERAMBULATION:**

Don Duval showed on the map where the Manchester/Hooksett town boundaries are on Hackett Hill Road. He pointed out three significant boundaries and stated that the 1969 Perambulation is the only perambulation done where they have different bearings and distances. All the others were similar to the 1845 Perambulation. He also added that he couldn't sign to certify where the boundaries are since they were unable to locate physical monuments set in the boundaries.

After much discussion, the consensus was to meet again next Friday, May 7<sup>th</sup>, at 10:00 am after more research is done.

**ADJOURNMENT:**

Meeting adjourned at 11:25 am.

Respectfully submitted,

---
