

Minutes from August 13, 2008 Fort Meadow Commission Meeting

7: 03 PM - Meeting called to order in Marlborough City Hall

In attendance:

- Marlborough Commissioners Thomson and DelGenio
- Hudson Commissioner Kaczmarek and agent Conolly
- No Marlborough residents and two Hudson residents attended

Minutes:

- Post treatment weed survey revealed that treatment was successful on most species of weeds and “touchup” treatment is not required. The one species that was not affected by the treatment was the fanwort weeds. ACT will provide a map of the areas affected, based on that map, treatment could include other chemicals treatments or hand pulling.
- Motion made to initiate the process for weed control drawdown.
- Marlborough city engineer was asked about the two foot drawdown and his response was that the existing spillway can not accommodate it.
- Incident log to be made and posted on the shared drive
- Tim to get 4 more anchors for buoy moorings

2008 Remaining Meeting Schedule (Second Wednesday of the month)

- September 10 in Hudson Town Hall
- October 8 in Marlborough City Hall

Meeting adjourned at 7:56 PM
