Old Business:

The meeting minutes for the January 22, 2006 meeting were approved on a unanimous vote. Motion by Mr. Ray and seconded by Ms. Chisholm.

Fuel Depot: The members present reviewed and edited the letter composed regarding the proposed fuel depot at Pemberton Pier. Edited versions were emailed to members that were not present and the letter was to be sent to the Board of Selectman and Town Manager during the week of February 13, 2006 as edited.

Boat Ramp: Mr. McKeon advised the members he was still trying to verify if Jack Sheppard from the Public Access Board would be attending the next meeting of the HHMC on February 27, 2006.

New Business:

Mr. Ray brought up a discussion on defining the goals of the HHMC. Other members added to the discussion with items they would like to review, with Public Access to the waterfront being a main topic. The members thought it would be important to work on signage and identifying walkways that the citizens might not know are public because of the proximity to residences. The issue will be discussed further at a later meeting.

Adjournment: Mr. Fleck made a motion to adjourn the meeting which was seconded by Mr. Ray. A unanimous vote was taken to adjourn and the meeting was adjourned at 9:00 PM.
