Charleen Waterfront article will be referred back to study.

Jim Lampke spoke to the board about the Accessory Apt Article.

Jim corrects that today we can not create accessory apts as a matter of right.

Discussion held on the finer points of the article. Specific to the definition of an in-law apartment.

Charleen feels that the article has merit but there are sufficient gray areas that we should refer back to the zoning study committee.

Motion: recommend that we reconsider for further study to zoning study committee.
