Town Manager Update

- State is in their budgetary process
- No substantial change expected for state aid

Article #28 (Re-codification of Animal Control Bylaw)

- Advisory Board Discussion

Articles #36 (Citizens petition)

- This article's focus was to recommend that the Motion for Reconsideration only be offered if new information is discovered that could affect the outcome of the vote on such article
- State law and town by-laws are the only two items that over rule "Town Meeting Time" guidelines
- Rhoda K offered a motion of no action on Article #36

Articles #37 (Citizens petition)

- This article's focus was to recommend the use of the most recent edition of "Town Meeting Time"
- Advisory Board Discussion

Articles #35 (Citizens petition)

- This article's focus was to recommend the use of voting cards to replace the voice vote
- AB voiced concerns about limiting the voice vote because the majority of votes are one-sided and voting cards would slow down the process of Town meeting
- AB voiced concerns about using the voting cards because it reduces the anonymity of people who are voting on articles
- Rhoda K communicated that she thought it was more important to ensure that only the people who should be voting, are the only ones who are voting; rather than maintaining the anonymity of the vote
- AB communicated the importance of ensuring Articles #35 - #37 are done right and that a recommendation from a committee would carry more weight than a recommendation from an individual
