7:30 pm Chair Connor called the meeting to order

The Commission discussed their response to a request by the applicant for the HRA property (NE 35-998) to have Conservation Commission technical consultant John Roberge appear before the DEP at a hearing on the superceding Order of Conditions. The Commission agreed that they had no objection to the participation of Mr. Roberge. The Commission agreed, however, that it must be made clear that Mr. Roberge will not be representing the Conservation Commission, but rather, the Applicant.
