

Hull Light Board Meeting

Date: November 21, 2013 @ 6 PM call to order, Senior Center, 2nd floor meeting room.

Attendance: Patrick Cannon, Dave Irwin, Stephanie Landry, Daniel Ciccariello, Tom Burns, Richard Miller and Phil Lemnios.

Old Business: None

Manager's Report:

Mr. Miller advised the traffic sensor at Bay St. is malfunctioning. The Christmas Lighting will happen the 1st week in December. This will be 3 strings of lights along Nantasket Ave. The Winter Shut Off policy will be reviewed at the next meeting.

Public Input: 3 firms will present their proposal on conducting a rate study for the Hull Light Board.

MMWEC: Kurt Dahdah, Liu Chung and Mike Lynch who made the majority of the presentation. There was limited experience because only 2 towns were completed, they were the Towns of So. Hadley and Paxton. They supplied an overview of the material. The significant feature of the study is that there would be no fee charged, it would be part of their current services to the Board.

PLM: Mayhew Seavey Principal claims to have done rate studies on over ½ the Municipal Light Boards in Ma. The cost of the study will not exceed \$15K. Business established in 1983.

La Capra Associates: Alvaro Perira was the presenter. The cost of the study is approximately 20K and would take 3-4 months with a 3 person team including a potential of summer pricing structure.

Adjourned: 9:20 PM motion by Ciccariello, 2nd by Burns.
