### **New Business:**

#### **Open Issues:**

- JS Tiles update- The SBC & the architects looked at the plans. Benches could be done, but we'd need to speak with the Town & Beautification Committee. It was decided that it's best to purchase plaques that can be engraved. They could line the walls near the foyer, cafeteria, gymnasium, library and superintendent wing. We need to find a vendor, engraver and class lists. The school will not be complete until September 2008 so we have time. Lisa Canavan will run this fundraiser. If you're interested in helping, please let her know.
- Hannaford's- now due
- Genevieve's 2007- If the PTO commits to this fundraiser we'll receive a check for \$100. Lisa will not run this event next year. We need to have someone come forward to run this. Yes, we'll commit and get someone to commit by the end of the school year. **Unanimous**
- Hull Does Math- Ms Van Hamm reported to the PTO that announcements would be sent out in the light bills. Activities are for K-5. This needs town participation for signs in windows, sponsors for children, and bank accounts. The kids will gain a real number sense. There will be different activities each month. Adults will need CORI checks. Is there a fee?
- Cookie Challenge update- There were 49 entries (7 MS). The carnival games raised \$230. We raised \$1600, but after expenses the total profit was \$1100. Thank you Patti!
- Dine & Save update- we're still selling. We've sold 96 books for a \$960 profit. Notices went home with order forms. Some orders came to the P.O. Box.

**Meeting adjourned**
