Open Issues:

- Brockton Rox tickets are selling and 3 from HS will sing the National Anthem
- Read-a-thon total was \$811. We should keep this separate from book fair. We should move it to February vacation. Maybe we can have a grade/class competition (like trivia @ MS-fish).
- Teacher Appreciation was very successful. It cost \$125/school with 3 volunteers at each. Susan took care of the custodians & cafeteria with 27 thank you cards that had a \$6 DD gift card in each. The notices in the Times didn't all fit 1/2 online. Can we do 1/2 one week & 1/2 the next to fit them?
- July calendars went home with MS, JS next week. JS concerts are June 12th day, 13th eve. MS June 5th. We'll sell calendars and Lasting Impressions.
- Box Tops- AnnMarie found sheets that fit 25 tops. They're coming in & can count easier.
- Hannaford's- JS received \$87
- Lowes Tool Box- Hull won the 5K grant. It will be used in the HS courtyard. There will be circular benches around the tree and 6 picnic benches all made out of Trex.
- PTO Elections- AnnMarie is running for the Co-President opening for a 2 yr. Term. **Unanimous**
Congratulations!
