## 7.2 Multiple Children in Same Grade and Same Family – Kindergarten Fees

Dr. Tyrell said that four families with twins may be enrolling in the kindergarten program next school year.

Mr. Daniel McGonagle, School Business Manager, reviewed School Committee Policy IHBIA, Kindergarten Tuition and the sliding scale to determine fees based on income and family size. He recommended that the school consider changing a second student from the same family at the rate of 50% of the amount, as determined through the sliding scale. Mr. McGonagle also discussed locally appropriated funds, fees from certain of the participating families and grant funds from the Department of Elementary and Secondary Education requirements.

**Motion:** David Twombly

**Second:** Marianne Harte

Move to change Policy IHBIA – Kindergarten Tuition to include charging families with multiple children in same grade and same family a maximum of \$3,000 for the first child and 50% for the second child based on the amount, as determined through the sliding scale for the first child with a maximum and a total of \$4,500 and the third child (or more) child in the same family in the same school year would be free. After further discussion by School Committee the following vote was taken:
