Comments: Unanimous

Moe Fishel – Reset direction of the board responsibility to focusing on the revolving fund and how to use the revenue so it will be spent wisely and on parking projects only. We need to put a warrant from the Parking Study Commission on the agenda at Town Meeting to set up a revolving fund and to establish a long term parking committee. Warrant reflects three parts:

It must be self funding

A minimum 3-year plan

Focus on all monies generated from parking stays in parking area of the budget

Review of Bob DeCoste letter of recommendations for presentation to the board. Group discussion on rewording of document, ongoing.

Amy – Discussion of recommendations for tenure for future parking board

Bob D – Discussion of terms for at large members (2 at 3 years, 1 at 2 years, 1 at 1 year)

Bob D to present to Bof S to request warrant to create a revolving parking account at Town meeting at 2/8/11 Board of Selectman meeting

Review of agreed upon discussions:

2 zones for the town

All sticker parking through out the town

Discussion on pricing program for stickets – Dollar range changed many times during discussion

Discussion to be continued as no resolution was determined.

Amy – Redefine the names of the Zones to make them more user friendly.

Zone 1 – Restricted Beach Zone (discussion for \$25 for two year, \$10 visiter pass)

Zone 2 – Restricted Bay Zone

Suggested parking rules should be year round

Questions about RV parking on the street, determine legality of same

Next week, committee to determine a list to put together for the B of S meeting

Agreed to meet at 6:30 rather than 7:00.

MOTION: to adjourn meeting
