Re: Map R12, Lot 100B

Dear Melanie and Daren:

During the Selectman's Board Meeting on December 16, 2010, your request for approval of septic plans in regard to obtaining a Certificate of Occupancy for your accessory apartment was denied. The denial was based on requirements of sections 2.3 and 4.1.2 of Jackson's Zoning Ordinance.

The option available to you is to submit an application to Jackson's Zoning Board of Adjustment. The present chairman is Frank Benesh (tel: 383-8229) or email: [Frank\\_Benesh@alum.mit.edu](mailto:Frank_Benesh@alum.mit.edu).

Sincerely,

---

Dave Mason, Chairman  
Board of Selectmen
