OFFICE OF THE SELECTMEN

November 5, 2012

Robert Ruppel
P O Box 118
Jackson, NH 03846

Dear Robert:

During the Selectman's Board Meeting on November 1, 2012, your building permit application to build a garage was denied because the proposed structure encroaches into the boundary line setback, and as a result does not meet the setback requirements in Jackson's Ordinance Section 4.3.1.2 (1).

In order to proceed with your plans, you will need to obtain a variance from Jackson's Zoning Board. Please contact the present chairman, Frank Benesh (tel: 383-8229) or email: Frank_Benesh@alum.mit.edu, if you wish to proceed with this option.

Respectfully,

Jerry Dougherty IV, Selectmen Chair
Jackson Selectmen
