Thorn Mountain Realty Trust
Ken Anderson
PO Box 149
Hanson, MA 02341

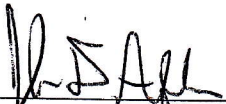

Dear Ken:

It has been brought to our attention by our Town Building Inspector that your property may have some health and safety issues that need to be addressed. The areas of concern include the septic system, the basement, and the garage. Enclosed you will find a copy of the letter provided to us by our Building Inspector which goes into more detail about the septic system and basement.

If these issues are not addressed this could create unsafe conditions for those who come onto your property, but also to those who live and play downstream from your property.

Please let us know if you have any questions, and please feel free to call our office 603.383.4223 or call Andy Chalmers (Building Inspector) 603.960.0909.

Sincerely,

John Allen - Selectman

Bob Thompson - Selectman

Bill Lockard - Selectman
