Dear Mr. Benesh:

Please be advised that this office has been retained by Lynne Stamey to represent her in connection with the above-captioned matter. Please be advised that we are requesting a continuance of the hearing scheduled for February 25, 2015 until the next planning board meeting in order to have sufficient time to review the issue being presented. Additionally, I am teaching a class at Granite State College on February 25 and will not be available.

Should you have any questions or concerns, please call our office. Thank you.

Sincerely

Edward D. Alkalay
