Meeting Minutes
June 15, 2015

Present: Selectman MacIsaac, Selectman Rothermel, Selectman Moore, Town Manager Caron,
Administrative Assistant Richard

A. CALL TO ORDER

The Select Board met to discuss the combined Town Office/Police Department which is proposed to be built on the Police Department site.

Moore said that he believes the Town Office and the Police Department should be separate. Moore is concerned about security, violence and privacy with the two together. He also stated that the parking would be crowded.

One of the concerns that the Select Board had would be the cost of the two buildings being separate.

MacIsaac asked Moore where the Police Department would go if they were built separate and Moore mentioned Elite site as a possibility.

Rothermel said that he preferred the combination of the Town Office/Police Department. He explained that there is always a potential for violence together or separate.

MacIsaac asked Moore if the issue is separation. Moore said yes.

- MacIsaac stated the investment would be more separating the two.
- Now we are changing our plans again.
- Late minute change
- What's the plan

If we separate the buildings we need to have a plan.

The Board took two tentative votes on process:

2-1, with MacIsaac dissenting. The Board voted not to require unanimity when voting to recommend a project to the voters;

3-0, Assuming a lack of unanimity on a proposed alternative, the Board will not require a Special Town Meeting this summer to request design funding from the voters;

ADJOURNMENT

On a motion by Rothermel, seconded by Moore, the meeting adjourned at 10:30am (3-0).
