

**Town of Jaffrey
Trustees of Trust Funds
10 Goodnow Street
Jaffrey, NH 03452**

Minutes to the Meeting of January 23, 2013

Present: Gary P. Arceci, Trustee
Frank Mieso, Trustee
Rob Stephenson, Trustee
Randall Heglin, Interim Town Manager
Kevin Sterling

Location: Jaffrey Town Office

The Trustees discussed a tree removal project located at the Old Burying Ground cemetery. A series of six trees need to be removed from the cemetery. The Town had received an estimate from Turner & Renaud, Inc. for the removal of eight trees, six located in the cemetery and two located on the property of Mr. Sterling. The trees located on the Sterling property were included in the estimate as they would be needed to be removed to complete the project. Costs of the project are broken down as follows:

Tree #	Species	Cost
2	White Birch	\$350
3	White Pine	\$2,200
4	White Pine	\$2,400
6 & 7	Cherry Clump	\$300
8	Sugar	\$1,000

Trees on Sterling Property	\$1,900
----------------------------	---------

Total	\$8,150
--------------	----------------

Mr. Sterling gave his permission to having Turner & Renaud, Inc. remove the trees in question and will be billed separately for the cost of removal.

Mr. Mieso moved seconded by Mr. Arceci that trees 2, 3 & 4 be removed with payment coming from the Willa Cather Fund. Motion carried with Mr. Stephenson abstaining.

Mr. Mieso moved seconded by Mr. Arceci that trees 6, 7 & 8 be removed with payment coming from the Cemetery Tree Public Town Fund. Motion carried with Mr. Stephenson abstaining.

Respectfully Submitted,

Gary P. Arceci,
Secretary
