

250th Committee Meeting Minutes
Public Safety Complex
August 11, 2016

Present: S. Bugbee, C. Kustra, M. Kelsey, C. Pratt, A. Gasowski. L. Gund. P. Jenkins

July 11 meeting minutes approved as read.

Debrief on event weekend included discussion of what to do with the mast tree, the LRP light bill (which has been handled - thanks Jim Banks), getting t-shirts to teamsters that did not receive theirs at the parade. Approved was that the youngest teamster (Luke) to receive a copy of Down the Mast Road as an additional thank you.

A thank you letter to all participants in the parade was decided upon. Annie will draft letter and send to all members for comment. Laura will double check the list of participants to be sure we have everyone.

The remaining balance in the account at the time of the meeting was \$7,200. Budget discussion concluded with the approval of \$500 for school demonstrations by the Dearborn Company and the commitment of \$5,000 for the fireworks at this year's fair. Additions to the inventory of souvenirs for the fair approved.

Souvenirs will be sold at the Ice Cream social. Birthday cake and necessary supplies have been ordered and Clara will pick them up. Committee members will help serve cake and sell souvenirs.

Lee JubiLee dinner ticket sales are going well. Tickets will continue to be \$30 until 150 are sold. Candace will set up a photo location for people to take their own photos. Scott will be the MC for the evening and Frank will run the auction. Crossroad Chiropractic will judge the costume contest and award gift baskets to the winners.

Three spaces at the Lee Fair have been requested. Clara will coordinate. Apple crisp with ice cream and just ice cream will be offered. Committee members signed up to work the booth. Laura will work on freezer for LRP. To date we have 12 apple crisps promised.

The decision was made to hold the time capsule and bell for 50 years. It will be displayed at Safety Complex in box made by Chief Dronsfield.

Lee Remembers II will be Thursday, October 13th at 7 pm. Annie, Scott and Candace will work on the program. Scott will reserve the space.

The next meeting was moved to Tuesday, September 20 at 9 am because of the state primary on the 13th.

Meeting adjourned.

Respectfully submitted - C. Kustra
