

Minutes of the 250th Planning Committee
Public Safety Complex
September 13, 2013 – 8:30 AM

Present: A. Gasowski, J. Neill, C. Kustra, P. Stetson, M. Banks, P. Jenkins,
L. Gund

July meeting minutes were approved as read. C. Kustra will submit copies for posting on Town Website.

The Committee discussed and unanimously agreed to proceed with a 250th Commemorative License Plate. P. Stetson volunteered to follow up with the Police Department for next steps.

Discussion continued regarding potential events, fundraisers, raffles, website and school art projects. Some town residents have mentioned their interest in various activities and the committee is delighted with their ideas. Many more groups and volunteers need to be involved and the committee spent time discussing how we might approach that.

The next meeting was scheduled for Friday, October 18th at 8:30 AM at the Safety Complex. The Committee felt that switching to evening meetings would be best so that we may reach more residents. The Committee will schedule the November meeting for an evening meeting.

Meeting was adjourned at 9:30 AM.
