Annie Gasowski made a motion to give the Boy Scout Troop #459 \$250.
Tom Dronsfield second
Vote: all, motion approved.

Caren Rossi explained that people seemed to really like the fireworks but she was uncomfortable asking to just put in in the budget and felt that a warrant article would be best.

The other committee members agreed but felt that we should do a warrant article for \$6,000 and raise the rest.

Caren Rossi will see what the process is for this.

The committee talked about negatives and positives from the day.
A few had complaints that there was not enough signage prior to the event.

Eric Sawtelle is going to ask if we can use the old signs as they are large and well know and just remove the word "country" and reuse them.

Tom Dronsfield asked about setting up a Facebook page for the fair.

All thought that was a great idea and we will look into this. It was discussed that we can put all of the contest rules etc. on this page. Also next year we need to do a better job on our own website for event information and advertising.

Dale Dollar reminded us that we need a new flag at the park.

It was also discussed that next year the children's parade will be inside the park and not on the road.

Brian Seeley would like to start meeting earlier next year.

All agreed and discussed we would just after town meeting.

There was also a comment that the vendors were not advertised.

All and all everyone said they heard no real complaints and were very happy with the day.

Tom Dronsfield made a motion to adjourn at 8:04 pm

Annie Gasowski second.

Vote: all, meeting adjourned.
