The Lee Well and Groundwater Awareness Packet is now available at the Town Hall, the Library or online at (http://www.leenh.org/Pages/LeeNH_BComm/SustainabilityComm/index). TIME TO THINK ABOUT CAMPING!

Once again the Lee Conservation Commission will sponsor a campership to Barry Conservation Camp, at the fish hatchery in Berlin, NH. We hear enthusiastic reports from the Lee youngsters who have been able to enjoy a week at the Camp. The 4-H camp is operated in conjunction with the NH Dept. of Fish & Game. "Barry Conservation Camp emphasizes environmental awareness, responsible use of firearms, safe hunting practices, conservation principles and ethics." There is swimming and canoeing, as well as group activities that encourage teamwork. Lee children, ages 10 & up, are eligible for this campership. (The Hunter Safety & Certification Program requires that they be 12 years & older.) Space for sponsorship must be saved by 2/12th (prior to opening registration up to general public). For more info, call Laura Gund 659-2044, e-mail walgrove@comcast.net or go to <http://extension.unh.edu/4-H-Youth-Family/Barry-Conservation-4-H>.

THIS WEEK'S **NEW LEE TRIVIA QUESTION!!** *(Answer will be given in next week's Lee E-Crier):*

Q – General John Stark is known for creating a toast that became NH's motto "Live Free or Die". His name is also the name given to NH's only "home grown" vodka. Produced in NH and sold only in NH Liquor stores. Where is it made?

ANSWER TO LAST WEEK'S TRIVIA QUESTION:

Q - Who originally purchased the Lee Historical Society museum building (the former South Lee Freight depot building) from the Boston and Maine Railroad?

A – When the railroad closed in the 1930's, the land and buildings at the South Lee Depot - including the freight depot - were sold by the Boston and Maine Railroad to William A. Plumer for \$1.00 on December 12, 1936. One of his heirs, Edwin H. Plumer, sold his half interest in the land and buildings (inherited from his father, William A. Plumer) to Walter Plumer on June 1, 1937 for \$1.00. Walter Plumer sold the freight depot building to Epping businessman Otis Goodrich sometime later in the 1930s.

Many years later, Dwight Brown, the owner of J. F. Brown in Epping, graciously donated the building to the Lee Historical Society and on September 1, 1973, the freight depot was moved to the center of Lee, where it still stands today as the Lee Historical Society museum building.

CALENDAR COVER PHOTO BY GERALD SEDOR

2018 Lee Wall Calendars are here!

You can buy your 2018 calendars at the Town Hall and Library! They are \$10.00 each.

Perfect as mementos for family and friends who have visited or lived in Lee!

Lee Town Center – In December, the Lee Heritage Commission submitted applications to the NH Division of Historical Resources (NHDR), requesting that the Lee Town Hall, the Lee Town Shed with Tramp Room and the Lee Historical Society Museum buildings be considered for addition to the NH State Register of Historic Places.

UPDATE – Good News! We've just received word that the Lee Town Hall *and* the Lee Town Shed with Tramp Room have now received their Determination of Eligibility Letters from the first NHDHR committee! This means that they will be considered for the NH State Register of Historic Places at the January meeting of the State Historical Resources Council!

The Lee Historical Society museum building will be considered at the February meeting of the Determination of Eligibility Committee for its DOE Letter and, hopefully, will then be considered for the NH State Register of Historic Places at the April meeting of the State Historical Resources Council.
