## **LIBRARY TRUSTEES CORNER**

Programs and meetings at the library continue to "pack the house". With space at a premium for all the groups in town that want to carry on their respective programs, the staff often has multiple requests for the same evenings. A good example occurred just last Tuesday evening and to quote our Library Director: "We had knitters in the corner of the children's room, rug braiders downstairs, self-publishing workshop at the table upstairs...it was awesome! We had to turn down one organization that wanted to meet - we actually told them if they could meet from 6 to 6:30 we could squeeze them in, but they declined." With five possible meeting spaces proposed in the new Library Community Center, many groups will be able to carry on comfortably.
