LEE CONSERVATION COMMISSION

Once again the Lee Conservation Commission will sponsor a campership, as we do most years, to Barry Conservation Camp, which is located in Berlin, NH at the Fish Hatchery. We hear enthusiastic reports from the Lee young people who have been able to enjoy a week at the Camp. The 4-H camp is operated in conjunction with the NH Department of Fish & Game. “Barry Conservation Camp emphasizes environmental awareness, responsible use of firearms, safe hunting practices, conservation principles and ethics.” There is swimming and canoeing, as well as group activities that encourage teamwork.

Lee youngsters, ages 10 & up, are eligible for this campership. (The Hunter Safety and Certification Program requires that they be 12 years and older.) For further information, please call Laura Gund, 659-2044, or e-mail walgrove@comcast.net . It’s important to apply as soon as possible as spaces fill up fast. To learn more about the camp, please go to <http://extension.unh.edu/4-H-Youth-Family/Barry-Conservation-4-H> *Don’t delay – call as soon as possible in order to reserve a space!*

LEE HERITAGE COMMISSION

The answer to last week's trivia question: According to the Woodman Museum in Dover, NH, the last mountain lion was killed on the Cartland Farm by William Chapman of Newmarket in 1853. This Eastern cougar (or mountain lion, the names are interchangeable) was the last cougar killed in New Hampshire, and the species was declared extinct in 2011. Its body was preserved with the crude taxidermy of that time which involved stuffing the carcass with straw or paper rather than using internal sculptural molds. It was given to the Museum by Chapman's son, Sewall. Despite ongoing cougar "sightings" still claimed around the state, the Fish & Game Department reports no physical or photographic evidence that the big cat is back in New Hampshire. If you're interested in this and more, the Woodman Museum is at 182 Central Avenue, Dover, and is open Wednesday-Sunday, 10 am - 5 pm. Their number and website is 603-742-1038 and www.woodmanmuseum.org.
